May Newsletter

The 'Winter Chill' is now in the air but we can't complain about the weather, we have to wrap up warmly until Spring which is only September! The Club is nice and warm, with the air-conditioning now changed to heating for the comfort of you the members.

Reminders

The **Club Mini Van** operates Wednesday and Friday evenings on a donation pay basis, plus main entertainment evening. Phone (027) 3030375 to be picked up.

Change of Address

If you are planning on moving house please remember to advise the Club of your new address. We have had a couple of members questioning as to why they did not receive their subscription invoice, and you guessed it, they had changed their address. We are not mind readers so please advise the Club to ensure your correct details are held.

Survey Results

Information from our recent Survey has been posted on our Web Site and copies are available on the Club's Notice Board. I have to say that the return was very disappointing and I thank the 33 members who made the effort to spend a few minutes of their time to complete and return the Survey and to provide us with some statistics. The CAN'T BE BOTHERED attitude that I am hearing is nothing to be proud of, and it says to me that you just don't care. Well I CARE and YOUR COMMITTEE CARE - Come on Members, this is YOUR CLUB a little input from you would be of enormous benefit to the Club. 33 Surveys returned from 1000; 3 members interested in joining a sport adjunct; 4 interested in being on a sub committee, and 3 members interested in being on Committee – THIS IS POSITIVE – Well Done to those members.

23 noted they most enjoy the atmosphere; 24 Bistro; 26 Meeting People; 21 Prices; 17 Wednesday Draw Night; 15 Raffles.

We had some positive thoughts shared and we will endeavour to introduce a number of these and if supported they will continue.
